Chair's Summer Newsletter 2025

Dear Oxonians,

We rounded off a busy first half of 2025 with the festive Tripartite Gala Dinner in June – and already the calendar is starting to fill up for the months to come! The summer season is traditionally calmer, but we still have some fun, informal events lined up together with CamSoc.

As ever, you can always click on the [OUSL Website](#) which takes you straight to our Future Events.

We also wish to make you aware that Norry Welch from Cambridge has created a WhatsApp group called Oxbridge Lux Social. Cambridge intends this as a space for announcing spontaneous, unofficial Cambridge events to which Oxford alumni are also welcome. It is important to stress that this WhatsApp group is informal and adherence is totally voluntary. All official and practical information about OUSL events (including confirmed and official Cambridge events to which we are invited) will, as always, be shared through our usual channels. If you wish to join the Whatsapp group, please contact Norry: nbcwelch@cantab.net or Bob: events@oxford.lu.

And now do scroll down to discover the lively mix of events for the next couple of months.

On behalf of the OUSL organising committee, and with very best wishes,

Mette Ahlefeldt-Laurvig
Chair, Oxford University Society of Luxembourg asbl
