Boat Races, Saturday 4 April, 2026

Dear Cantabrigians,

The Boat Races are approaching and once again Cathy and Laurent Frideres have very kindly agreed to open their beautiful home to us and the Dark Blues for a family afternoon enjoying varied refreshments and watching the Races on their Big Screen televisions. The occasion is open to members of the Oxford and Cambridge Societies and their families, and friends

Timings: The television coverage, this year on Channel 4 will start at 14:30 CET with the first Race, the 80th Women's Race scheduled to start at 15:21. Cathy and Laurent will welcome people from 14:30, for those who do not wish to miss the pre-race action! The full programme as published is as follows (all times CET):

- 14:30 – Channel 4 coverage starts
- 15:21 – 80th Women's Boat Race
- 15:36 – Women's Reserve Race: Osiris v Blondie
- 15:51 – Men's Reserve Race: Isis v Goldie
- 16:21 – 171st Men's Boat Race
- 17:00 – Presentation to winning crews (Mortlake)
- 17:30 – Channel 4 coverage ends

As in previous years refreshments will be provided. There will be extensive nibbles, crémant, wine, beer and soft drinks. Last year many of you contributed delicious cakes and other goodies which helped to make the occasion tremendously enjoyable, and you are welcome - indeed encouraged! - to do the same this year!

If the weather is good, there will be possibilities for the children to play outside in the garden.

So that we can have an idea of numbers for whom we should provide refreshments, please send an email to me, President@cambridgesociety.lu with a copy to Laurent at lafrideres@gmail.com informing how many adults and children will attend.

We look forward to the Light Blues continuing their winning streak of recent years!
